

## Forest Service, USDA

## § 254.41

(1) The mineral survey fractions are interspersed among and are more or less an integral part of private land holdings;

(2) The feasibility and cost of surveying the parcels in order to manage them effectively;

(3) The size, shape, and location of the parcels as they affect management, utility, access, occupancy or use of the parcels or the lands with which they are interspersed.

### § 254.35 Limitations.

(a) Lands within the National Wilderness Preservation System, the National Wild and Scenic Rivers System, the National Trails System, and National Monuments are excluded from any conveyance under these provisions.

(b) Lands within National Recreation Areas may not be conveyed by sale under this subpart.

(c) The value of Federal lands conveyed in any transaction, pursuant to this subpart, shall not exceed \$150,000.

(d) Compensation for lands conveyed shall be of at least equal value, or in the case of interchange, of approximately equal value, and may be in the form of land, interest in land (including minerals), or cash, or any combination thereof.

(e) The sale, exchange, or interchange of lands or interest in lands under these rules are discretionary and shall be made only if found to be in the public interest.

(f) The abutting landowner(s) shall have the first right of acquisition.

(g) The area of land conveyed shall be limited to the minimum necessary to resolve encroachment or land management problems.

[49 FR 1185, Jan. 10, 1984; 49 FR 2762, Jan. 23, 1984]

### § 254.36 Determining public interest.

(a) The requirements of § 254.35 and of one of § 254.32, § 254.33, or § 254.34 must be met before a determination of public interest can be made.

(b) Before a conveyance is made under this subpart, such conveyance must be determined to be in the public interest.

(c) Forest Service officials shall consider the following criteria in deter-

mining when the public interest will be served:

(1) Sale, exchange, or interchange of the affected lands is not practicable under any other authority of the Secretary;

(2) Administration and management of National Forest System lands will be more efficient and will result in improved utilization;

(3) Access to and use and enjoyment of National Forest System lands by the general public will not be unduly impeded or restricted;

(4) New or extensive inholdings which would create management problems will not be established;

(5) Scenic, wildlife, environmental, historical, archaeological, or cultural values will not be substantially affected or impaired;

(6) Existence of structures authorized under a special use permit or easement, and

(7) Applicable Federal, State, and local laws, rules, regulations, and zoning ordinances will not be violated.

### §§ 254.37–254.39 [Reserved]

### § 254.40 Applications.

(a) A request for conveyance of National Forest System land must be made in writing to the District Ranger or the Forest Supervisor who has administrative jurisdiction over the land.

(b) The applicant shall bear all reasonable costs of administration, survey, and appraisal incidental to the conveyance.

(c) Costs incidental to the conveyance may be waived at the discretion of the Chief of the Forest Service.

### § 254.41 Public sale or exchange in absence of application.

(a) Mineral survey fractions or road rights-of-way which have not been applied for by an abutting landowner may be offered to the public for sale or exchange at not less than fair market value.

(b) Public notice of a proposed sale of land for which there is no applicant shall be published once a week for four consecutive weeks in a local newspaper prior to the date of sale.
